Dear Gregory and Joseph,

Thank you so much for your incredible performance on September 22. We received such wonderful feedback from the audience following your concert. You both have amazing talent and work together as a team to produce music that, as one survey respondent said, is beautiful and went beyond expectations.

I will personally remember the original music by Joseph Parisi. It was moving and carried me through a story. As a student of music, I appreciate it when I can close my eyes and focus completely on the music I am listening to. Looking throughout the crowd, I saw many happy listeners with eyes closed, and smiles on their faces.

Thank you for your time, travel, preparation, and energy in making this a successful presentation to celebrate Classical Music Month.

Kind Regards,
